

Bill Bird Shoes Ltd Pricing Guidelines

updated Sept 2025

LASTS

Bespoke wooden Lasts Start from £660.00 (payment due at measuring appointment)
Subsequent footwear can be made on these if your future shoes retain the same heel height and general style.

Additional Lasts may be necessary for varying styles, i.e. Walking Boots, Dress Shoes, high/low heels. These start from £560.00

Last Alterations from £200.00

SHOES & BOOTS

Shoes and Sandals start from £2600.00

Boots start from £3200.00

Styles may vary in price depending on bespoke design choices and specifications.

Specialist orthopaedic components and inserts are also priced accordingly.

Cork Raises start from £190.00

Casting for inserts from £190.00

Inserts from £220.00

Workshop time:

Appointments can be made to review and assess foot changes, discuss alterations to Lasts and Footwear, as well as repairs and refurbishment.

Appointments start from £60 an hour.

Alterations and any work to be done will be assessed and quoted during this time.

Leg Length Difference:

LLD Work starts from £220 including the assessment. Subsequent pairs are priced accordingly.

Please discuss your requirements with the team when making your appointment and they will be happy to guide you.

The above prices are all subject to VAT at 20% unless you qualify for exemption.

You will receive a quote with your designs.
